The feedback has been collected from various stake holders via online during the month of March 2024 and all parameters were analysed. It has been found most of the parameters are in the satisfaction level.

S.No	Stakeholder	Responses and Suggestions	Action taken
1	Students	More Industrial visits is needed	Current Batch students are sent for Smart industry exploration every semester once based on the specialization that are interested.
2	Faculty	Syllabus content and Reference books aren't up to date.	Being an Affiliation institution the syllabus we forward this comment to University and the gap in syllabus is offered through Super specialisation
3	Employer	Syllabus content need to be updated based on industry needs	The super specialisation topics will be framed to narrow the gap between syllabus and current industrial trends.
